

April 1-3 | Orange County, CA
Irvine Ranch Outdoor Education Center

NLS & DYLC

National Leadership Seminar (NLS) is a conference that better shapes OA youth's leadership skills by learning and applying new methods. NLS enables youth and adults by teaching leadership skills that can be used within and outside their communities.

Developing Youth Leadership Conference (DYLC) widens an adviser's ability to assist youth within the OA. Through methods of a growth mindset, resilience, and constructive feedback, advisers best enable their youth and their leadership skills.
