August 11 - 17  
Camp Emerson Summer Camp Week # 6

August 16-17  
OA Service Weekend

### **Directions to Camp Helendade**

**From High Desert area:** Take Highway 173 South from Hesperia to Lake Arrowhead. Turn east on Highway 18, and drive to Running Springs. Look for Wilderness Road on your left. Follow Wilderness Road approximately 1 mile and Camp Helendade will be on your right side.

**From Greater San Bernardino area:** Take Highway 330 North to Running Springs and follow the road to Lake Arrowhead (State Highway 18 West). While on the 18, watch for Wilderness Road and the Camp Helendade sign, turn right, and follow the road until you arrive at camp.

# CAMP HELENDADE

Camp Helendade was a gift of Helen Dade in 1960 to replace Camp Arataba that burned to the ground in the late 1950's. At the time this area was served by the Arrowhead Council that spanned much of the High Desert area. The only thing that made it to the new camp from Camp Arataba was the camp Jeep and a trailer with 6 canoes that happened to be attached to the Jeep when the evacuation order was given!

When Helen and Dale Dade read of the tragedy, Helen Dade (Notice the name?) decided to donate her wedding present from her husband to Scouting. The camp originally consisted of over 400 acres. Dale Dade organized construction of the original buildings at the camp. These were the main lodge, warehouse, commissary (now the rear of the new dining hall) and the Ranger's house. He also built the wonderful KYBO'S we all enjoy! The camp was constructed with 10 campsites. The current rifle range was built by Edison employees and Scouters under the guidance of the NRA Range Certification Team.

Camp Helendade now spans only about 90 acres, all of which is regularly used by the Councils' many Cub Scouts. Situated at just over 6,000 feet, Helendade is a year-round camp used for summer programs, winter klondikes, all Cubbing activities, as well as Boy Scout activities. The camp is available for private use by booking through the Council office. The camp currently has five cabins, a main lodge, Medics/Utility lodge, dining hall, program buildings, an Olympic size heated pool, and a vintage 1948 military quonset hut!!

Other facilities include an archery and rifle range, a lake with fish, tents with platforms, and a newly completed shower and restroom facility. Camp Helendade is a fully accredited ACA and BSA camp staffed with a full-time ranger. Camp Helendade is a great place for your Cub Scouts' first of many enjoyable camping experiences. Hundreds of Cub Scouts from all over Southern California visit Helendade and its' well known quality CAMP WILEY summer resident camp program.
