

ArrowCorps⁵ Registration

Cahuilla Lodge

Five Sites, Five Weeks, Five Thousand Arrowmen

The ArrowCorps⁵ project will be the largest single service project in the history of the Boy Scouts of America

ArrowCorps⁵ is truly a lifetime event for Arrowmen. Never before has Boy Scouts of America/Order of the Arrow undertaken such a unique and worthwhile effort to help preserve our nation's public forest lands. *ArrowCorps⁵* is a joint effort between the OA and the U.S. Forest Service ("USFS") to provide much needed work at five USFS sites across the country. ***What are you doing the summer of 2008? Come and be a part of history and participate on one of the most ambitious projects the BSA-Order of the Arrow has ever undertaken.***

Pick from one of five breathtaking sites and make a true difference in our Nation's National Forests. Your Cahuilla Lodge will specifically be supporting a large contingent of youth and adult Arrowmen at the *Manti-La Sal* National Forest and Bureau of Land Management, BLM, site. Added into your work project days is one full activity day at each site. Additionally, the Cahuilla Lodge contingent participating at the Manti-La Sal site will add two additional days and nights of camping in Zion National Park.

Place a check mark at the site of your choice on opposites side of sheet.
