Cahuilla Lodge had a great NOAC at Indiana University. Arrowmen attended classes, activities, shows, patch trading and much, much more. For the first time in many years we had Arrowmen compete in ceremony evaluations and Indian Affairs. Kudos to Justin Ewell for competing in Vigil Ceremony! Our own Matthew and Nicholas Ornelaz-Perez competed in Grass Dancing and placed in the top twenty in the nation!! Congratulations Matthew and Nicholas, well done, we are proud of all of you!

Thank you to Arrowmen who staffed and made the event great for all: James Vineyard, John Vineyard, Andrew Blessum, and Austin Ellison; and to our awesome contingent leader Griffín Martois. Also a big thank you to all adults who worked to get us there and back and ensure we all had a great time.

Tahquitz Chapter

Tahquitz chapter over the last several months have had monthly meetings that included fun games and a chapter barbeque. After each ordeal we welcomed our new members and invited them to join in fellowship. With two ceremony members from Tahquitz and two from Navajo a joint ceremony team for the ordeal was created. A special thanks to our officers for helping with our summer meetings and our advisors for all their support.

This year at the National Order of the Arrow Conference (NOAC) 13 members of Tahquitz chapter attended. Several of our arrow men enjoyed the Spartan Race, an escape room, and spar poles along with powerful evening shows hosted by our National Chief.

We are looking forward to seeing all our arrow men at Conclave, Fall Fellowship, and the Lodge Banquet in order to celebrate 2018.

Ordeals

Cahuilla Lodge finished their 2nd and final Ordeal of the year. With close to 70 candidates the lodge was able to complete several projects around camp.

With 8 clans we were able to complete the following projects:

- A trail was created through Strawberry Creek
- A drainage ditch was made by the pool house
- Wood was cut to clear less used campsites
- Paint was scraped off of cabins
- Tents were broken down and mattresses moved out of campsites

I would really like to thank all of our Elengomats who supported our candidates through their Ordeal. Our Brotherhood candidates and general members helped to continue work on the chapel. With their help we were able to dig the ditches needed for laying down the concrete fitting for the benches. This year Cahuilla has had very successful ordeals completing many lasting projects at camp. Thank you to all of our lodge officers and advisors whom help support the ordeal.

A special thank you to Ranger Jimmie Hyland for his help in creating a smooth Ordeal.

And More!
The National Order of the Arrow Committee after months of collaborative work with ceremonialists and lodge leadership representatives announces the following policy change. This policy change will apply to ALL Order of the Arrow lodges and chapters.

We know that lodges and chapters are frequently asked to perform Arrow of Light and crossover ceremonies for Cub Scout packs, which is an appropriate service in support of our packs. That said, we have had many complaints surrounding these ceremonies from various American Indian tribes due to the manner in which they are conducted as well as the inconsistent nature in which they are performed.

Beginning January 1, 2019 lodges and chapters that are asked to conduct Arrow of Light or crossover ceremonies for Cub Scout packs will only be permitted to conduct them using the new approved official ceremonies which can be found in the OA Inductions Portal. These ceremonies are to be conducted in a Scout uniform and are no longer permitted to be done in American Indian regalia.
